City of Douglas

Title: Finance Manager

Reports To: Finance Director/ City Treasurer

Department: Finance

FLSA: EX

Occupational Code: P

Range: 28

JOB SUMMARY

The purpose of this position is to manage the activities, operations and performance of the Revenue division, including customer service, revenue recovery, administration, sales tax and licensing. This is accomplished by directing all division activities, developing goals and objectives, providing financial planning assistance for other city departments and divisions, managing staff, and preparing and monitoring the budget. Other duties include coordinating special projects, accounting duties and acting in the absence of the director.

ESSENTIAL FUNCTIONS

(Any one position may not include all of the duties listed, nor do the listed examples include all tasks which may be found in positions of this class.)

1. Responsible for the proper procedures, policies, and operations of the Tax Licensing & Revenue section.
2. Has overall supervisory control of the staff assigned.
3. Prepares and administers the sales tax budget and exercises control over expenditures.
4. Establishes measures to improve methods, use of equipment, changes in operations, working conditions, quality of work, and any necessary expansion to increase efficiency of the division.
5. Researches, compiles, and presents technical sales tax advice and statistical data to various city departments, the City Manager, and the City Council, as directed.
6. Assists the Finance Director with short and long-range planning and goals for the division.
7. Attends council meetings and workshops to represent sales tax matters as directed by the Finance Director.
8. Recommends employee hires, promotions, transfers, discharges, and disciplinary measures to the Finance Director.
9. Makes audit and edit checks to evaluate special needs, unusual problems, and to check the quality of work projects.
10. Represents the City in dealing with other governmental jurisdictions, private businesses, and the general public on sales tax matters.
11. Investigates and resolves citizen and business complaints that cannot be handled by other sales tax personnel.
12. Performs and reviews sales tax audits and provides direction and interpretation for both the auditor and taxpayers when questions arise on auditing methods and interpretation of the tax code.
13. Establishes guidelines for payment agreements for delinquent taxpayers and approval of such agreements.

14. Assesses the financial impact of proposed legislative changes related to the state tax code and other tax and franchise matters that may impact the city.
15. Makes the final decision on when to file complaints in the City Court and/or file liens on real property against delinquent taxpayers.
16. Researches tax disputes, prepares the City's position for audit hearings, and presents the City's position before a hearing officer. Makes every possible attempt to resolve protests and disputes administratively before any hearing.
17. Actively represents the City's interest in changes to the local and state unified sales tax code through the Unified Audit Committee and the State Tax Commission.
18. Provides short and long term revenues projections of sales tax, and all other revenues.
19. Meets with audited taxpayers that are protesting their audit assessments and decides whether to allow or disallow changes in the audit.
20. Establishes priorities of work with the Sales Tax Licensing & Revenue program.
21. Supervises the maintenance of sales tax and business license records.
22. Directs the preparation of reports and represents the sales tax at a wide variety of meetings.
23. Keeps the City Manager and Finance Director advised of sales tax activities through oral and written reports.
24. Attends conferences and conventions and other educational and professional meetings to keep updated on sales tax methods and administration.
25. Researches and presents recommended changes to the sales tax and business licensing ordinance.
26. Speaks before civic and professional groups on the plans, objectives, policies, and programs of the Sales Tax Licensing & Revenue program.
27. Reviews and recommends approval of contracts for outside collecting services.
28. Assists the Finance Director in monitoring and projecting selected revenue sources.
29. Coordinates with the legal department regarding preparing court charges on delinquent tax cases and testifies in a court of law, as required.
30. Participates in user fee studies and implements new or changed fees as directed by Council.
31. Provides analytical support to Finance Director, City Manager, department heads or city personnel regarding the financial position of the City or any financial concerns.
32. Produces reports showing practical data, providing financial forecasts, analyzing accounts, reconciling project costs, and providing any other information needed.
33. Provides assistance in assembling the annual budget document. Works with department heads and other employees to determine revenues and expenditures for the coming year. Assembles revenue and expenditure forecasts, debt schedules, grant schedules as necessary for the budget process.
34. Helps manage the accounting process and produces accounting and financial procedures and guidelines for accounting duties in the Finance Department.
35. Works directly with auditors to generate schedules and accounting reports as necessary.
36. Reviews account expenditures, monitors budget, researches problems and develops solutions to problems in a variety of daily activities.

37. Performs related duties as assigned.

(The duties listed above are intended only as illustrations of the various types of work performed. The job description does not constitute an employment agreement between the employer and employee and is subject to change by the employer as the needs of the employer and requirements of the job change.)
